SOCIETY

Surprised Their Friends.

The friends of Mr. Charles H. Orr and Miss Lottie Harrington, will be surprised to learn of their marriage which will take place at the home of the bride in Independence this evening. Rev. W. J. Eddy, of the First Baptist Church, performing the ceremony. Mr. Orr is a son of ex-Mayor M. D. Orr, of the First ward, and is freight agent for the B. and O. at this place; a responsible position, and one that is ably filled. He is one of the most popular men of the town, and for that reason this announcement of his marriage will create widespread interest and general pleasure. The bride is a charming young lady, and was for some time a resident of this city, during which time she was employed as trimmer in Mrs. Arnett's millinery store. The happy couple will probably return here on No. 55 this evening.

A Fifth Ward Wedding.

J. H. Brumage, of Worthington, and Miss Anna Frum, of the Fifth ward, were married at one o'clock to-day at the residence of Mr. A. E. Shaw, by Rev. W. J. Eddy, of the First Baptist Church. Mr. and Mrs. Brumage will make their future home in Glinther, Ohio.

SNAP SHOTS

Runaway Boys Caught.

Word was received yesterday afternoon to look out for two colored boys who had run away from the Reform school. A telegram received later stated that the boys had been caught before they had gone far.

Watch Stealing Craze.

This seems to be a time set apart for the stealing of watches. It does not matter what kind, gold, silver and brass ones are all taken. About four cases were called to the attention of the officers yesterday. Two warrants were issued and more may follow. Surely these thieves are out for a "time."

Mysterious Disappearance of a Horse.

A fine saddle horse belonging to Dr. G. H. Brownfield was tied on Virginia avenue, near Tenth street while the Doctor was making a professional call about one o'clock this morning. When the Doctor returned for his animal he discovered that it was gone. He notified the police, but their search was fruitless until 7:30 this morning when the animal was found near the place of disappearance.

It is not known in what manner the horse came to be freed and the owner believes some miscreant enjoyed a ride without his permission.

Hit By a Brick.

Last evening at the building of the Fairmont Trust Company, now under construction, a brick fell about two stories and hit Dudley Nee, a foreman, on the head, inflicting an ugly wound. He was taken to the office of Dr. Fitch and the wound dressed. He is able to be out to-day.

Too Drunk For Hearing.

An old man named Johnson was arrested at 3:30 this morning but was still so drunk at 8 that he was deemed advisable to let him remain in until to-morrow.

Chicken Pie Supper.

Owing to the impoverished condition of the treasury and their need of funds for charitable purposes the Davis Circle of King's Daughters will hold a chicken supper in the Sunday School room of the First M. E. Church on Main street Friday evening. A competent committee will be in charge and a tempting array of eatables are sure to be served. The site is a convenient one and there is no reason why the demand should not equal the supply, which will be abundant and delicious. Don't forget the date, Friday evening, Sept 30th. Price 35 cents.

A Little Girl's Experience.

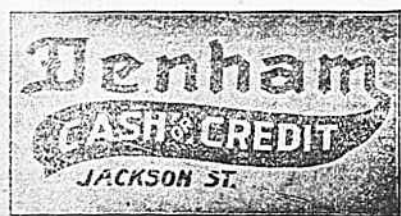

Four years ago a little girl was taken from a home in or near Barnsville, and placed in the Home of the Good Shepherd. Yesterday a woman from Parkersburg who had adopted the child brought her back for the Humane officers to judge of her change in appearance. The officers of the society were delighted with the noticeable improvement in looks and manners, and questioned her in regard to the treatment accorded her in the Home in Wheeling. She said that the people there treated her all right; that she liked to stay, and liked everyone in authority. She is very happy in her new home, and grateful to the Humane Society for so kindly looking after her and placing her in a position where her better faculties could develop.

FAIRMONT MARKSMEN WON

IN THE BIG SHOOT AT MORGANTOWN—SIXTY-FOUR SPORTSMEN WERE PRESENT.

MORGANTOWN, W. Va., Sept. 28.—The first annual tournament shoot of the Recreation Rod and Gun club was pulled off at Recreation Park yesterday. It was the largest ever held in this city and, in fact, one of the largest ever held in the State.

Teams from Fairmont, Mannington, Grafton, and Brownsville were here and took part in the different events. Fairmont led in the team shooting with the Recreation Club a close second. Sixty-four sportsmen were entered in the shoot. Two sets of traps were kept constantly in use.

The McDermott special purse of \$10 was the most interesting event of the day aside from the team race. J. P. Miller, of the Harris Gun Club, put up a hot contest for it but was defeated by J. A. Long, of Mannington, a former resident of this city. He was in the jewelry business on High street a couple of years ago.

L. Z. Lawrence, of Pittsburg, a representative of the Dupont Powder Company, had the highest score, it being 95 per cent. Mr. Lawrence missed only six birds out of a hundred and twenty. J. O. McNeely, of Fairmont, won the sliding handicap.

In the team race each team was allowed one hundred and twenty-five birds.

Following is the number of kills by each team.

Fairmont	108
Recreation R. & G. Club No. 1	107
Harris	105
Mannington	100
Brownsville	98
Recreation R. & G. Club No. 2	88

The Grafton, Fairmont and Mannington teams left for their homes on No. 4 last night. The Brownsville team which came in G. S. Thompson's launch, started on the homeward journey at 9:30 P. M. During their short visit here these men made many friends who regretted to see them leave.

Those participating from Fairmont were: J. O. McNeely, John P. Phillips, W. A. Wiedebusch, George Lilly, L. C. Jones, Frank Coogle, A. H. Donnelly and B. M. Simpson.

SERIOUSLY HURT

WILLIAM ZIEGLER WAS HURT SEVERELY IN A RUNAWAY ACCIDENT.

NEW YORK, Sept. 28.—News was received here today that William Ziegler, the well known capitalist and Arctic exploration enthusiast was fatally injured in a runaway accident last night at his summer home, Colenders Point, Conn.

Mr. Ziegler was driving home behind a spirited team, when the horses bolted at the gates of the estate and both Mr. Ziegler and his coachman were thrown to the ground. Mr. Ziegler fell under the team and was badly trampled. He was carried into the house bleeding at the nose and mouth. For a time it was feared he had suffered internal injury.

THE LONG-LOOKED-FOR QUORUM WAS PRESENT

(Continued from First Page.)

matter was referred to the Fire Committee.

J. W. Upton, of the Fifth ward, proposed to give the city certain streets in the Upton addition to the Fifth ward, situated about Eleventh street, provided the council would agree to make a fill and put in a sewer line. The matter was referred to the Street Committee, City Engineer Prickett and City Solicitor Stanley, as parts of the proposition belong to their lines of duty.

Mayor Kinsey called the attention of the council to the concert tent supposed to be operated by Henry Blair, in front of the Fountain saloon. He was told that ordinances covering it were already passed, and it was up to him to do what he could. Councilman Haymond said that it was a terrible thing from what he heard, and that he was willing to uphold the mayor in fighting it, even if it did cost something. One or two other councilmen gave their assent to the same thing.

Superintendent Smith Hood, of the Fairmont and Clarksburg Traction Company, asked the council to take up the matter of the contract with his company for electric lights. The contract will not expire for a few months yet, but Superintendent Hood said that the company is thinking of installing some new and valuable machinery and that he would like to know as soon as convenient whether the present contract would be renewed or not. The only changes suggested by him was that the closed are lights be used all over the city, as is now being done in the Fourth and Fifth wards. He claims that the closed ones are better and the company desires to know what will be done so it will know what to do in regard to the purchase of the new machinery.

City Solicitor Stanley asked what he should do in regard to the injunction issued against the city by Judge Jackson Sunday. The matter was put into the hands of Mayor Kinsey to report what he thought best.

The time for adjournment having arrived, a motion to extend it twenty minutes was rejected while one to extend it ten minutes carried.

A Mr. Leonard asked to have a small tax refunded which he paid for 1902. He showed to the satisfaction of the council that he had not been a resident even of the State that year, and the money was ordered refunded.

Charles Downs was refunded the tax which was assessed him for a dog which he did not have.

The council then adjourned until next Tuesday night—the next regular time for meeting.

UP AGAINST IT

IN TWO PRETTY HARD PLACES WAS A PEDDLER WITH A NAME AS LONG AS YOUR ARM.

Up at Monongah, when they do anything, they do it right. It often happens that a peddler comes around and sells his wares without paying for a license which is required by law. One of these awful criminals struck the fair city on the West Fork yesterday. Chief Finley saw him and made a dive for him, catching him by the button of his left coat tail just as he put one foot over the corporation line going out. The Jasper was taken before His Honor and gave his name as Tchickinchitski. He was charged with breaking the town ordinance relating to peddling. \$12.50 was all it cost him—just then. In order to look after the law's interest to the best advantage, Chief Finley then took the man before Squire Snodgrass to answer the charge of vending his wares without a county license. \$15.75 was the price paid at this concert. Thinking he had been pretty well entertained, the man left and took his departure with him.

DAMAGE SUIT

MAY BE INSTITUTED AGAINST THE RAILROAD COMPANY FOR THE DEATH OF GEORGE L. McISAACS.

G. H. McIsaacs, brother of George L. McIsaacs, who was killed by a truck at the local depot several weeks ago, is in the city gathering information concerning his brother's death. The dead man's widow is staying with the man who is here, at his home near Little Washington, Pa. It seems that the B. and O. has made no effort to settle with her, and it is likely that a damage suit will be entered in the near future, as it was understood that the information is being gathered for that purpose. The amount of the damages which will be asked was not given out. It will be remembered that the coroner's jury found the verdict that the man's death was caused by a truck which had been left there through the carelessness of the B. and O. employees.

The Weather—Partly cloudy and warmer to-night; showers in western portion; Thursday, showers.
